## Recommended Guidelines for Divisions and Clubs

**'A' Division** is for high achievers. It is open to those who are highly competitive and wish to be in the running for the International Team(s) representing the North Central District. During the regular season, most if not all of the Quote and Finish the Verse questions come from the Key Verse list. The material is cumulative. The top quizzers in 'A' division that memorize the Club 304 verses or the Full Material are eligible to try out for the International Team at year's end (provided they meet the age and other requirements).

**Club Full Material** is exactly that. Learning every verse of every chapter in our year's material and reciting them word perfectly to a specific listener, approved by your coach. You need to recite an entire chapter in one sitting and may use up to six "helps" to do this. One "help" is considered a 5 word phrase (and may not be split up into semi-helps). Your listener must be looking at the text while listening (NIV 2011) and following the guidelines before signing.

**FOR LISTENERS:** You must look at the text (NIV 2011) while a quizzer says his/her verse. It must be recited word perfectly to you before you sign.
