

Which Books of the Bible are Studied?

8 year Rotation

2012-2013	Matthew (excluding chapters 13, 23, 24, 25)
2013-2014	Romans & James
2014-2015	Acts (chapters 1-20)
2015-2016	Galatians/Ephesians/Philippians/Colossians
2016-2017	Luke (excluding 3:24-8,12,20)
2017-2018	First and Second Corinthians
2018-2019	John
2019-2020	Hebrews/First and Second Peter

What version of the Bible? Bible Quizzing has been based on the 1984 NIV for quite a number of years. This will change to either ESV or 2011 NIV, though the 2012-2013 year continues with NIV (1984).

Why not other books? The C&MA International Committee has had various conversations about adding or substituting some of the material with possibly Old Testament Books or other New Testament Books, but the end result is that if they only have so much time, these are the books that would be best to have knowledge of. ☺
